

Program Information

Breakfast

At most (*not all*) schools we offer Breakfast before school begins, as well as during morning recess time (this is known as “2nd Chance Breakfast”). If your child has been approved for the free or reduced program there is no cost for breakfast.

Lunch

Lunch is served daily at all schools – including minimum days. If your child has been approved for the free or reduced price meals program, there is no charge for “free”, and the “reduced” price lunch is .40¢.

Snacks

A variety of healthy snacks and drinks are available for purchase during morning and/or lunch recesses. The snacks are CASH only. Please do not send \$20 bills with your child for the snack program.

The National School Breakfast/Lunch Program (Sponsored by the Federal government) does not permit the cafeteria to extend credit (IOU's).
